ABOUT US

Good Dads is the leading father-focused nonprofit in Missouri. We endeavor to serve any and all fathers because we believe that all children, families and communities benefit from responsible fatherhood.

We are serving more fathers than ever before. With more communities launching Good Dads initiatives, our mission and vision is spreading like wildfire across the state!

If you believe that dads are critical to their kids' wellbeing, and if you refuse to let this part of the family unit go undervalued and disrespected, now is a perfect time to become a Good Dads sponsor.

OUR DINNER

This year's fundraiser and celebration is going to be something truly special because we're celebrating our 10th anniversary as a nonprofit.

Look forward to live music, games and delicious food. We'll highlight our three Great Community of the Year winners. And we'll share our vision for the future of responsible fatherhood in Missouri and beyond.

Mark your calendars for **Thursday, October 16, 2025**, for an unforgettable evening at the Oasis Hotel & Convention Center ballroom in Springfield.

THE IMPACT YOU'LL MAKE

Let's face it: It's not easy being a nonprofit. Grants fizzle out. Funding dries up. Small-dollar donors only get you so far. But despite it all, the work is still there. And it's more important than ever.

With your generous support of the Good Dads mission, you're taking a stand for the next generation.

You're preventing social ills from

ever even occurring downstream. When you support our goal to build better communities, you're not just helping us serve dads. You're contributing to an immeasurable ripple effect that impacts children, moms, schools, employers, entire communities ... Indeed, fatherhood is a crucial piece of the puzzle that we can't afford to ignore.
